

We understand how valuable and important privacy and online protection is for children and their parents. The Children's Online Privacy Protection Act ("COPPA") requires us to inform parents and legal guardians about how we collect, use, and disclose personal information about children under 13 years of age; and that we obtain the consent of a parent (or guardian) to allow the collection of that information.

Total Choice FCU does not collect personal information from children on this website.

We do, however, provide a link to Kirby Kangaroo Club website. These websites are designed to educate and entertain young credit union members. The website is operated by CU Services, LLC, a New Mexico limited liability company.

From time to time, this site may sponsor events or ask for articles written by children and offer prizes. For those events, this site does collect information but only if they have received the consent of the child's parent or guardian. The types of information they may collect are: a child's first name, age, videos, photographs and voice recordings, written articles and drawings. They display this information on their websites, or may use it in Kirby Kangaroo newsletters during the event and for a time thereafter. They also use it to determine and announce the winners of a contest. They may link personal information to other information collected from some social media sites such as You Tube. They may share information with selected third parties who provide services and products to or for credit unions and credit union members.

Parent(s) and guardians may opt-out of this information gathering and sharing at the Kirby Kangaroo Club websites. If they have collected information about your child, the parent(s) or guardian may contact ByronPorter at (866)262-8336 ext. 2232 or email at (byron@cuanm.org) or by mail at 4200 Wolcott Ave, NE, Albuquerque, NM 87109.
